

How to use the Catholic Calendar

2021

Abbreviations:

A = Abbot or Abbess (the "father" or "mother" superior of a monastery).

Ap= Apostle (one of the 12 appointed by Christ; St. Matthias, St. Paul, or St. Barnabas).

B = Bishop (one given the fullness of the priesthood by the apostles or their successors).

BVM= The Blessed Virgin Mary, mother of Jesus Christ, true God, and true man.

C = Confessor (a holy man; priest, religious, or lay).

DC= Doctor of the Church (one designated by the Church as a scholar of the highest repute).

Ev= Evangelist (one of the writers of the four Gospels).

K = King (often simply designated "C" for confessor).

M = Martyr (one whose life was taken for professing the true Faith).

P = Pope (the Bishop of Rome, Successor of Saint Peter, and Vicar of Christ on Earth).

V = Virgin (a woman dedicated to Christ, to the exclusion of all others).

W = Widow (a holy woman; religious or lay).

Abbreviations may be doubled to indicate plurality (e.g. "MM" or "PP" or "CC" might be used to refer to two or more martyrs, or two or more popes, or two or more confessors). Abbreviations may be concatenated. "P.DC." refers to a Pope who was also a doctor of the church

On certain days of the year, a "stational church" may be noted, (designated "STN") although this is done solely for historical interest. In years past, the Pope and the people of Rome went in procession and gathered at the stational church to celebrate the days feast. All of these churches are located at Rome -- even one named the "Holy Cross in Jerusalem" -- but a few of them are located "outside the walls."
